Hi Bill,

Wendy has assigned me to this project, and I am interested in attending the August 12th meeting. We also forwarded your agenda to Ken Westlake of our NEPA section, and I expect he will want to send someone from his staff as well.

I will let you know if anyone else will be there or if it will just be me.

Thank you,

Wendy,

Attached is our proposed agenda for our meeting with GTAC and the WDNR on Monday, August 12th. This is not considered a "pre-application meeting" at this time since it would commence WDNR's time clock based on new rules.

Please let me know if you are interested in attending so we can add you to the attendees list. I have also attached my file memos from recent meetings and site visits to provide background information concerning our participation with GTAC to date.
